Pet Insurance

President's Message,

Happy Independence Day!!!! I can't believe it's July already!!!!

During this time of year it's important to keep our furry friends safe not only from the heat but from our July 4 festivities. Make sure if you need meds for your dog that you have them. Also keep them away from any fire works.

Our July Obedience & Rally Trials are coming real soon! Please make sure you sign up with Ralph Orlando to volunteer! It's always a fun time to help and learn about competition obedience!

Also at our July club meeting we will be discussing Pet insurance!!!

Happy Summer,
Michele

Sincere Sympathy to Edd Gordon on the loss of his beloved Service Dog "Bear", he was a physical support dog and helped if Edd had trouble with balance or if he needed help getting up.

Someday...

Sometimes when you're feeling sad,
when all you want is me,
I softly sit and gently put
my head upon your knee.
Some nights when your heart does ache,
worn out by tears you weep,
I quietly lie beside your bed and
guard you as you sleep.
Somewhere far beyond this place,
a land where all run free,
I'm calmly watching over you
and waiting patiently.
Someday when the time is right,
your voice will call to me,
and I'll come running like the wind,
Someday...wait and see.

July Obedience & Rally Trials

The time is getting close for our summer Rally & Obedience trials. Two Rally trials are on Friday July 14 and then on Saturday July 15 and Sunday July 16 there will be two trials on each day. Trial #1 for each day begins at 8AM so for the stewards who are working trial #1 the arrival time is set at 7:15 or a little earlier if you can. The judges usually arrive at 7am or slightly later and typically can use your help with measuring the ring to help them determine where they want to start and end with each exercise. All #1 trials begin at 8AM. Also, for the Rally ring where course signs are set up and in the rings that have jumps, your help is needed there.

On Friday the #1 Rally trial begins at 8am in Ring #3 with an end near ABOUT 11AM or maybe a bit later.

Rally trial #2 is with a different judge and set up in Ring #1. The start time is posted for 10:30, so stewards working that trial should arrive no later than 45 minutes before the start or earlier to help with set up. In all cases your judge will brief their stewards on what they want you to do. As to an ending time for Rally trial #2, I suspect it will end in the 2:30-3:00 range. At this point this is all a guess and will be determined by the contestant entry count.

Trial #1 on Saturday and Sunday will begin also at 8AM with same arrival time of 8AM for the stewards. The difference for these trials will be the judges will be judging until class complete on in one ring and then change hats and judge a different class in another ring. The 3 obedience classes are Novice, Open and Utility with that progression being the lowest to highest levels in obedience. 3 qualifying scores at each level allows the team to move to the next level with the difficulty increasing at each step. Once again it is very difficult to estimate accurately the start time of trial #2 each day. To be on the safe side as we get closer to mid-July and we have a head count we can then determine a time for the #2 trial stewards to arrive. Ballpark right now would be about 10:30.

A guesstimate for all #2 trials to end is usually close to 1:00 PM and vary by a little bit. Lunch will be provided for stewards and judges and the judges will determine the time that break will occur. There will be a snack table in the office coming from baked and store-bought goods from club members. Also, water and so drinks in the refig.

What to wear? Club shirt is desired for stewards to wear and the club now has a brand new shirt that you can buy from Pat Mozden at a really good price. Slacks or shorts and comfortable footwear also.

At this point we are still seeking about 7 stewards to adequately work all of the rings. Linda Campagna is the go to recruiting person. We also need an assistant to help Kelly Zen at the awards table on all 3 days. So, if you can help on 1 or more of the days just let Linda know.

After the #2 trials have ended on Sunday, we will also need a clean up and straightening up crew. About 6 helpers can do the job.

Please Volunteer

Ralph Orlando & Linda Campagna are both listed with email and phone contact on our member roster.

Graduation night of the Intermediate Class

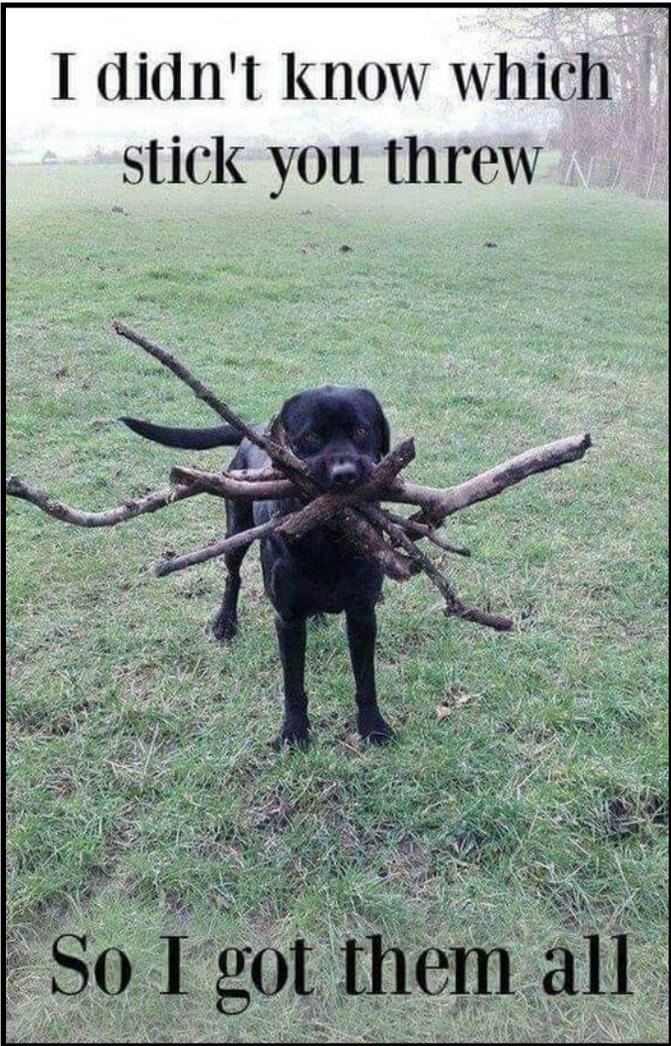

Xylitol – AKA 'Birch Sugar'

Xylitol is now also being marketed as Birch Sugar. Xylitol is most commonly found in sugarless gum, and because it is low in calories, it is also often used to sweeten sugar-free candy and dental products.

Other products that may contain xylitol include:

- breath mints
- baked goods
- cough syrup
- children's and adult chewable vitamins
- mouthwash
- toothpaste
- some peanut and nut butters
- over-the-counter medicines
- dietary supplements
- sugar-free desserts, including "skinny" ice cream

Michele Lemole had a great time at the Blue Ridge Agility Club's trial in Fletcher, NC!!! Skye earned his Novice Fast and Novice Standard titles!!! Jamie also had an awesome time with some beautiful runs!!!

OBEDIENCE CLUB OF DAYTONA

GENERAL MEETING

JUNE 12, 2023

President Michele Lemole called the meeting to order at 7:16pm and welcomed everyone to the club meeting. The sign in sheet had been passed around and 19 members were present.

Minutes of the last meeting were not read because they were published in the Chatterbarks newsletter.

Report of the Secretary: There was one new application for membership. Daria and Joe Siciliano (H) Port Orange.

Report of the Treasurer: \$1400 was paid out for insurance. The CDSP Trial brought in \$626 profit and the eye clinic brought in \$710 profit.

Pat Mozden brought new 100% cotton medium blue T shirts to the club for sale. They have a white logo and are \$10 in most sizes. There are also some light blue polo shirts with collars which are \$20. Pat will be bringing these for sale along with our original T shirts to the next few general meetings. The checks for the shirts should be made out to OCOD and given to Pat. Pat and Jim have replaced more ceiling lights so it should be much brighter in the training center. Adding more ring gating has not been scheduled yet.

Ralph was looking for volunteers to go to Halifax Humane Society summer children's program to show off their dogs. All the dogs that attend must be registered therapy dogs.

Michele would like to remind members that we need volunteers to help clean the training center the weekend before the trial in July. If you clean during the week please be sure you sign in the cleaning book at the table up front. Michele is looking for a good health insurance for her dog so if you have one you like please let her know.

The Flyball group is expected to come on July 22nd.

Anna said she needs more volunteers for her Match on Saturday July 1st. The building will open at 7:30am. The registration starts at 8am and will end at 11am. The Judging will begin at 8:30am. Obedience will feature: Beginner Novice, Novice, Open and Utility. Rally will feature: Nested Rally Course (Novice-Masters). Obedience is \$10 per run. Rally is \$10 for two runs. Check or Cash

Ralph needs more stewards for the trials on July 14, 15, 16. Please give him a call and volunteer 😊. Kelly Zen needs 1 ribbon helper each day for the three trial days. Please let her know if you are available.

Michele asked if there was anything else. Shirley motioned to adjourn and Chris seconded it.

Meeting was adjourned at 7:50pm

Respectfully Submitted,

Linda Campagna
