"General Club Business"

President's Message

Dear Members:

Thank you for pitching in for our many activities and trials. Your dedication to the club is what keeps our programs going.

Thank you for wearing clean club shirts when teaching/assisting/stewarding/ or helping with another club activity. A professional appearance shows others that our members are there and are working for the club's benefit.

A few other housekeeping issues:

1. Food in the building. No dog or human food should be left in the building. Whatever you eat or feed your dog must go home with you. Previously, dog treats left in crates and human snacks in the break room resulted in an infestation of critters that took months to irradicate. We don't want to experience that again.
2. Crates in the building. You should be taking or teaching a class at least weekly to leave a crate in the building. Crate space is at a premium and is intended for those who are in the TC frequently. Please remove your crate if you do not meet these requirements.
3. Recording your work for the club. Thank you to Patty Mills who has created new, easy to use pages to record the work you do for the club. No more spiral notebook with scribbles - Patty's system allows you to check or initial when you work so it's readable for everyone. Look for the 3-ring binder with the picture of the cute white terrier on the front and read the instructions in the first pages.

Best wishes.

Pat Mozden

TWO (2) TEMPERAMENT TESTS

November 9, 2024 12PM

Pre-registration required for each test.

25 entries only, 2 tests each \$30 (\$30 each = \$60)

The AKC Temperament Test, the ATT, is a temperament test designed for all breeds of dogs.

The ATT, a pass-fail noncompetitive test, assesses the reaction of any breed to stimuli in the surrounding world. Dogs are tested in the following six categories:

Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion) and Unexpected Stimulus.

All dogs who pass the ATT twice under two different approved ATT Evaluators may earn the AKC Temperament Test title.

The ATT screens for fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, cooperative, inquisitive, appropriately social for breed, and biddable.

Why take the AKC Temperament Test?

For purebred dogs, each breed's parent club has a written breed standard that includes information on the breed's temperament. Taking the ATT allows the dog owners to determine how close their individual dog's temperament is to the breed's standard.

For the owners of mixed breed dogs, the ATT may provide insight on the temperament of individual dogs.

The ATT provides information about a dog's reaction to a variety of stimuli. ATT testing can identify behaviors related to temperament that can be addressed through training.

EACH TEST REQUIRES A SEPARATE TEST APPLICATION

Dogs must be at least 1 year of age, Registered or enrolled with AKC, and have an AKC, PAL, OR AKC CANINE PARTNERS NUMBER.

A copy of the AKC Test can be found at AKC.org

OBEDIENCE CLUB OF DAYTONA

GENERAL MEETING

AUGUST 12, 2024

President Pat Mozden started the meeting at 7.10pm and thanked everyone for being there. The sign in sheet had been passed around. Seventeen members were present. There were no guests.

Pat asked for new Wins and Brags and she congratulated everyone. Any new Wins and Brags should be submitted to Joan for the Chatterbarks.

Minutes of the last meeting were not read because they were published in the Chatterbarks newsletter.

Report of the Secretary: Our new member is Franchesca Albuja from Palm Coast, FL.. (Household membership) There was no correspondence.

Ralph showed his version of a breakaway jump which will be required in January. If it were purchased new it would be \$400. Ralph followed Bob's version of how to build it but it was not sturdy at the higher inch levels. Since it was suggested that they might try it for Rally since Rally only goes up to 16". Anna asked to test it on a Rally course.

(Continued on page 9)

(Continued from page 8)

Ralph will be working on developing the taller breakaway jumps for Agility in January. He also had more suggestions for our fencing in the training center. Pat said tonight the board allocated money for Ralph's project of putting up white foam board in our front windows for insulation.

City of Daytona Beach wanted representation from our club for a family event on a weekday. Andria went and they provided her with a table and she handed out flyers for OCOD. West Volusia Kennel Club and Greater Daytona Dog Fanciers Association were also there. There were about 50 people who came. There was a pet parade, a pet lookalike contest and a pet costume contest. We donated the prize for the dog that won the costume contest. Channel 2 was there to film the festivities. The event was small but it was a success. Pat thanked Adrian for going. It helps community members be aware of the fact that clubs like ours have dog training. We have a very good product at a reasonable price. The City of Port Orange is hosting a "how to festival" on Saturday September 14 from 11am-3pm. It's a free event and there will be presentations on various topics: line dancing, bee keeping, and spinning yarn to name a few. There will also be food vendors. Ralph will be doing demonstrations and also will be speaking on "How to become a therapy dog". You will be able to meet Therapy dogs throughout the day. OCOD will also have a table so we can talk to people about the classes at our club.

We are going to check on multiple venues this year for the December Banquet.

Pat showed the new "white" book on the front table where we will put our name to show we have cleaned, stewarded or did something else to meet requirements for discounts on classes. There are a few people who are leaving crates here. To qualify to leave a crate here you must be teaching, or taking a class at least once a week and is also someone who is involved in club activities.

Kelly has been making some great deals choosing stylish ribbons that people love. Her new combo in a ribbon features the colors of lilac or lavender with green. Pat thanked Kelly for finding a very cost effective way of having really special ribbons.

Ralph would like to fund his motorcycle ride to Boggy Creek on the sixth of October. Boggy Creek is a camp out in Eustis, FL. And it's for kids with disabilities and life threatening illnesses. They come to camp for a week with other kids that have similar conditions. There is a lot of comradery they all have similar issues. They have fun for a week. It's a free week. They have doctors, nurses and lots of staff to watch out for them. This is number 30 for the ride. My first ride was in 1994 and this is the last one. The new dealer took over and they're going to stop this particular charity. I've been collecting for it for not quite a month. Now we're at \$2355. Trumpet will be my sidekick like Smokey was for many years. It's a lot of fun and I'm sorry to see it go.

Anna said Terry has a sign in sheet up on the bulletin board for the Scent Trial.

Nina spoke about her businesses in Tennessee called Daily Dog 365 and said how every year they celebrate back to school time. Nina buys containers of school supplies at Port of Miami. If anyone needs office supplies let her know.

Pat said all right everyone I am calling this meeting adjourned. Thank you all for coming.

Meeting Adjourned at 7:54pm

Respectfully Submitted,

Linda Campagna
