### *President's Message,*

Good heavens! It's December so quickly. I want to thank everyone who has helped me in my role as President.

Years ago, we were a once-a-week group that met in a parking lot and had to contend with bad weather and a lack of resources. Heck, we didn't even have a bathroom! Today, we own (outright) a beautiful indoor facility outfitted with equipment that allows us to hold classes and events in comfort year-round.

For years we rented space from the county for obedience trials and had to move mats and equipment to and from Deland. It was a major undertaking that limited what we could do. Today we hold trials in our own building and have other clubs rent the space from us for their events.

All of this was accomplished with volunteers and it's imperative that we continue to volunteer generously. We have built an organization that provides a service to the dog training community, as well as the greater Daytona Beach area.

In addition, I hope we will continue to bring our best selves to the club and to classes and events. In a chaotic world, let's be a bright spot in the community and for each other.

Pat Mozden

## Wins & Brags

Ralph Orlando & "Trumpet" earned a 3rd Place Win in UDB class and getting her Obedience Master (OM) Title in Obedience.

"Trumpet" has reached 400 visits for her AKC THDD Title called Therapy Dog Distinguished. The feat took just 1 year 9 months. If all goes well in 2026 will bring the highest AKC Therapy Dog title for reaching 600 visits.

Janet Berry & "Dixie" Last time, BCAT, no titles this week, 500 points next level now working on DCAT half way there, her run times 7.87 7.89, pretty fast for little girl. Maybe just promote members to try fastcat and support club too.

Mindy Rohr and "Glory" got her Scent Work Novice title at the trial in Panama City! We also had fun at the OCOD FastCAT Trial November 1st at Dog Sports Unlimited. We are closer to Glory's DCAT Title!

Pat Dean and "George" had fun at the Obedience Club of Daytona Scent Work Trial this weekend. He entered his first Master class in Containers and received a 2nd place. He earned his Handler Discrimination Excellent title this weekend, along with two legs towards that Elite title. He was entered in Container Novice to start working on that Elite Title. He placed in every class.

Kitty Forguson and "Steele" finished his Novice with a second and moved up to Open 1st Place Win and High In Trial!

*Congratulation  
Everyone!*

## OCOD'S DECEMBER TRIAL UPDATE

BY RALPH ORLANDO, TRIAL CHAIRMAN

Hi All,

Gaining on us are our Rally/Obedience trials beginning with double Rally trials on December 5. Then for the weekend will we will have our Saturday and Sunday double trials. Trial #1 Rally judge starts at 8AM with Nancy Watson and Trial #2 at 10:30 with Norine Noonan..

Then on the weekend there will be all of the regular classes as well as some non-regular and random rewards classes. The last ring running on Sunday even with the double trials should end by about 2pm or so. On the weekend our judges will again be Nancy Watson and Dr. Robert and Cathryn Knight. Over the double trials for the two days there will be a mix of all three judges in all of the classes. As always, the crating will be at a premium and so we ask for your help in removing your crate(s) if you are not showing. Crating for all 3 days is in ring #4 & #5 as well as the center aisle. If you are one who needs to remove a crate, you can take it home by Thursday December 4 or simply find a spot to store it neatly near the rear right back door area.

Staffing these trials has changed slightly since covid appeared almost 4+ years ago. Prior to covid 4 Stewards were the ring staff standard. There is still a table steward who manages the paperwork for the judge. Then both Novice and Open require a figure 8 heeling pattern but no longer use stewards as figure 8 posts. So, the steward count has been reduced to 3 with two cones replacing the need for 2 people posts. So as a bare minimum 3 stewards but if we can get 4 this is a bonus plus.

Along with great judges, great facility and hospitality from our members, the job of the stewards very often ring high praise from our guests and from the judges. On the job training for those wanting to learn is also possible. I also suggest for new stewards to sign up for the match now two weeks earlier on November 22 to possibly practice stewarding or contact Ralph if you can come to a training class to be a practice steward. After all of that said your Judge will brief you before each trial begins.

Starting with the October club meeting there will be a sign up for stewards to volunteer for one or more days at these trials. The premium list for exhibitors is being proofed and will go out soon out for entries.

As per the premium list the host hotel is the Country Inn & Suites by Radisson in Port Orange.

Any questions or early sign ups can be sent by email to [rlando2@cfl.rr.com](mailto:rlando2@cfl.rr.com) or phone 386-788-4268 to Ralph Orlando (Trial Chair Person) also call Linda Campagna 386-848-4594.

## Is It Time To Consider Retirement?

We often look forward to the day we can retire, as much as we love to work, there may come a day when we have had enough and are ready to just enjoy life. The same is true for our canine therapy partners.

Just as it is for humans, it is different for each dog. Some can work well into their senior years, while others may need to retire early. They want to please us so much, they will continue to work even when tired, sick, or in pain, and never complain. It is up to us, to care for them as they care for us. What if a dog will work, even when they don't feel up to it, and not complain, how can you tell they need to retire? Below are some factors to consider.

1. Changes in medical condition, is the most obvious.
2. Does your dog have any chronic conditions, such as arthritis or any type of limp? Allergic skin issues that won't clear up?
3. Does your dog still enjoy visiting? Do they still get excited when you take out that special leash or collar? Or do they prefer to stay in their favorite chair and you have to go to them to put on the leash?
4. What about while visiting? Do you have to encourage them or even lift them out of the car?
5. Hardest of all are the subtle clues that your dog is trying to tell you they would rather not visit anymore. One sign is excessive panting while visiting. When someone is petting them, do they turn their head to the side as if to avoid the contact? Do they yawn a lot on visits?
6. And after the visits, does your dog develop loose bowels or lose interest in eating?

The owner has to look for clues, any sign that the pet is no longer enjoying themselves. It is truly hard to consider retirement for our canine partners when we love what we do. "Dogs are such incredible beings that try to please even when we are asking them to do something they don't want to do anymore. Look for the subtle signs and respect them, just as we trust them, they trust and rely on us to do what is best for them.

A Great Big THANK YOU to everyone who came to help at the match or came with their dog to participate! It was a great match and ran so smoothly because of all the help. Everyone I spoke to were thrilled with the chance to work their dog under show like conditions and had a good time. I heard nothing but compliments about our club!

Again - Thank You!

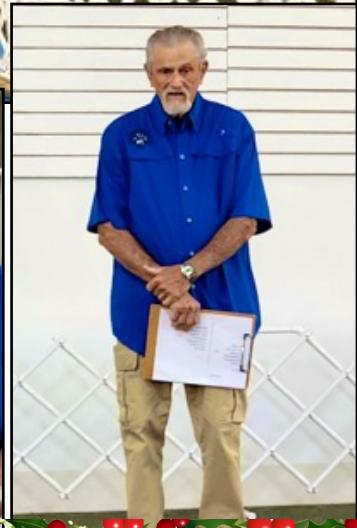

Anna

PS - we made over \$600!

## OBEDIENCE CLUB OF DAYTONA

## GENERAL MEETING

NOVEMBER 10, 2025

President Pat Mozden called the meeting to order at 7:12pm. The sign in sheet had 16 members listed.

Minutes of the last meeting were not read because they were published in the Chatterbarks newsletter.

Pat called for Wins and Brags. There were lots of stories, laughs and applause. Ralph talked about Trumpet, who is almost ten years old, getting her Therapy Dog Distinguished title by making 400 visits so far. Janet's Norwich Terrier got their Grand Champion on Saturday and Breed on Sunday. Anna's Trooper got his RAD and his Master 2 Title the same weekend. Congratulations to all!

Pat said we have sent out the proposed Board information for next year and now is the time for anyone who would like to be considered for a position on the board to step up and let us know. Anyone want to rush to the front to submit their name at this time? No one came forward. We will have our final vote on this at our meeting on Monday December 1<sup>st</sup>.

At the Board meeting a few things came up. The cost of our utilities January through October was 46K. We spent almost 6K on Supplies which are paper goods like toilet paper and paper towels soaps,etc.. Please bring towels to put down under your dog's water bowl for spills. We made about \$750 at fastcat where Janet and Nina were primary workers. If you are willing to help there are trials coming up that we will need volunteers for. If you volunteer you would be helping to get the dog's lined up so they can run to the end of the track. We will post the upcoming dates for fastcat. It's at Dog Sports Unlimited in New Smyrna and there will be one event coming up on this Friday night November the 14<sup>th</sup> and again on December the 27<sup>th</sup>.

Pat said we have a change coming if you have new dogs. At our next meeting we will be encouraging recommending our classes to your friends and neighbors. We are making a change from 7 wk classes to 6 wk classes for Puppy, Basic, and Intermediate. The new fee for these classes is \$150 starting January 1<sup>st</sup>, 2026. Nina said her January classes have not been listed on the website yet so no one can sign up. Anna needs a few more volunteers for the Match coming up. Ralph needs more volunteers for Stewards for the upcoming trial in December. Call Linda at 386-848-4594 to pick your time and date. Pat wants you to know that you don't have to know about trials to help at the trials. Your volunteering to help will be greatly appreciated. We also need a few people staying over for a short time after the end of the trial on Sunday to straighten up and put the rings back in shape.

Ralph demonstrated black and white jump bars that were sized wrong and would only be used for practice. We have 4 sets of new jumps for the trial. Ralph explained the new breakaway jumps. He said it was important to put the 2" and 4" sections at the bottom part of the jump because if they were put at the top of the jump it's more likely that when the dog jumps over he might knock them off the jump. Pat said trials are another good source of income. Are there any other announcements? Thank you all for coming. Nina motioned to adjourned. Janet seconded the motion.

Meeting Adjourned 7:49pm

Respectfully Submitted,  
Linda Campagna

*Merry  
Christmas*
